You can have a stall at Stockport Pride 2019 to promote your organisation or sell your products.

We can provide either a table indoors or an outside pitch of 3 by 3 metres (9 square metres).

Sizes are approximate. Additional tables and pitches can be provided. You must have suitable third party liability insurance to cover your attendance.

If you'd like a stall, you can apply online at www.stockportpride.co.uk/stallapplication
