Stockport Pride 2026
Partnerships and
Advertising

Stockport Pride has worked to promote and celebrate equality, diversity, and inclusion throughout the borough since 2017.

Our festival brings the community together with a colourful parade, a full programme of live performances, great food and drink, and the support of many local groups and organisations.

On **Sunday 26 July 2026**, we'll once again be hosting an event in Stockport's Historic Market Place, and we would be delighted to invite your organisation to be a part of it.

Partnering with **Stockport Pride** can be a great way to demonstrate your organisation's commitment to the local community, as well as to equality, diversity and inclusion.

If you're interested in getting involved, please get in touch early - as most of our packages have limited availability.

We are offering the following partnership packages:

- **Headline Partner - £5,000**

A prominent package demonstrating a clear commitment to the local community. Includes a banner in every area of the festival, co-branding, regular mentions on stage, a double-page spread and full page programme adverts and listing online.

All of the packages listed in this document are negotiable, so please do get in touch if you don't see something you're looking for, or if you have any specific requirements.

We will be creating a professionally printed programme featuring details of the day's entertainment, a parade route map, stall listings, and a range of advertisements.

Every partnership package outlined earlier in this document includes at least one full-page advert in the printed programme. If you're looking for a more budget-friendly option, your organisation can choose to book a programme advert on its own.

Our rates for advertising in our programme are as follows:

- **Double page spread advert - £260**
- **Full page advert - £140**
- **Half page advert - £75**
- **Quarter page advert - £40**
